

Stewart Headlam  
Primary School

Dear Parents/carers

As you know, our topic this term is Eco-warriors. One of the aspects we will be looking closely at is Recycling. We will be looking at how to Reduce, Reuse and Recycle!

We will be using many different recycled materials to make our school environment more exciting, and to encourage our children to environmentally conscious Eco-warriors!

We ask you to please bring us any of the following items that we can reuse:

- Old CDs
- Old pots, pans and cutlery (wooden or metal)
- Any outdoor paints and paint brushes
- Old clothes/fabric: we are specifically looking for EXCITING designs/patterns for our cushion covering project.
- Any other exciting donations you would like to contribute to our Recycling project.

We also need **EVERY** child to bring in **1 empty, clean 2 litre plastic bottle** for our planting project.

Please remember to still **bring your clean, empty "junk" (recycling) every day** for our design and making area.

We will be inviting you to some exciting Recycling workshops in the coming term. Please watch the Parents' Information Board.

Thank-you!  
The Foundation Stage Team
