Technical Problems?

The screenshot shows the ActiveLearn website interface. At the top left is the 'ActiveLearn' logo. Below it is a large banner for 'abacus' with the text 'Welcome to the wonderful world of Abacus!' and illustrations of children and a squirrel. To the right of the banner is a 'Log in' section with a 'Help!' button above it. The login form includes fields for 'Username' (containing 'mlibegu'), 'Password' (with a 'forgotten password?' link), and 'School code' (containing 'stew'). A 'Log in' button is below the form. Below the login form are three sections: 'Textbooks looking a bit tatty?', 'Professional Development', and 'Have your say!'. Each section contains a short paragraph of text and a link.

Textbooks looking a bit tatty?

Now's a great time to make sure you have enough reading books, textbooks and workbooks for the next school year. Why not head over to our top-up shop to make sure your bookshelves look their best in September. [Head over to the top-up shop.](#)

Professional Development

Our Professional Development courses help you squeeze every bit of benefit out of your resources - whether your school has recently subscribed to Abacus, Bug Club, Science Bug, Rapid or Wordsmith, or whether you are simply looking for a refresher session. [Find out more.](#)

Have your say!

Want to have your say in the resources we develop? The Pearson Research Panel gathers opinions and feedback on our primary services through quick polls and online surveys and we're looking for new members. As a Panelist you'll have your views heard plus you'll earn points you can redeem for Amazon vouchers! [Find out more](#)
