Attendance and punctuality

- It is really important for children to be in school every day and on time.
- If you miss school, you are missing learning!

- School starts at 8:55am.
 - Be ready at the school gates at 8:50am
- How can you help to be on time?
- Set the alarm for 10 minutes earlier

- There will be certificates for children who achieve 100% attendance during each term, and prizes for those who have 100% attendance for the whole year.

Routines

Routines can really help in getting things sorted in the morning and in the evenings.

- There need to be routines for:
- Going to bed - year 3 children should be in bed and asleep by 8pm!
- Having a set time for homework- this means children get to rest as well as get their homework done
- Eating healthy meals at the right times- eating meals at the right times gives children fuel to keep going - remember a healthy breakfast in the morning.
- Use of games/TV/outdoor play- there needs to be a balance between these activities and reading, writing and talking

Uniform

All children should wear their school uniform to school and on school trips.

The PE t-shirt is now available from the school office.

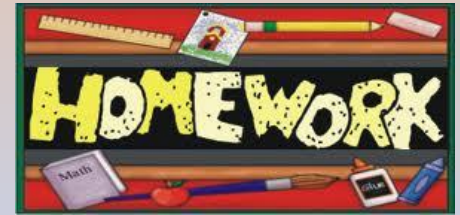

Dolphins: PE day are Tuesdays and Thursdays
Seahorse: PE days are Tuesdays and Fridays

Homework

Homework is an important way for children to consolidate learning at home. It is not a means of getting children to sit quietly.

Year 3 homework does require parents/carers/siblings to support children in talking about what they need to do.

- Homework will be given out on Friday and collected on the following Wednesday.
- There will be literacy, maths, handwriting and topic homework as well as spellings to learn.
- We expect all children to complete their homework and bring it in.
- We also expect reading with a parent/carer/sibling to be a part of homework. It is vital that parents/carers/siblings share a book with their child and make comments in their reading record.

How you can support your child

- Make sure your child eats a healthy breakfast in the morning.
- Make sure your child attends school everyday and is on time and in correct school uniform.
- Bring your book bag to school everyday.
- Reading books will be chosen on Monday afternoon. Read a book with your child and fill in the reading record book.
- Children should have a PE kit in school at all times.
- Make sure your child has support to do their homework and brings it in on the specified day

Finally...

The year 3 team look forward to working in partnership with you to ensure your child has quality teaching and learning opportunities and makes good or better progress.

Staff are available for further conversations about your child's progress by appointment.
